

RANDY.MORGAN.COLLECTION

# PRODUCT CATALOG

*The Randy Morgan Collection features a unique line of 27 hand sculptured metal tiles by award-winning artist Randy Morgan.*

Natural wonders, historical elements and whimsical fantasy are woven together masterfully in this timeless collection perfect for:

*:: Personal Residences*

*:: Resort Properties*

*:: Public Venues*

The collection is sure to bring a sense of distinction to those seeking architectural art like no other. Choose from one of 6 finishes including bronze, cooper, nickel-silver, iron, aluminum or brass. Each piece is signed by artist and includes a certificate of authenticity.

For the past 35 years, Randy Morgan has been an innovator in the world of sculpture. His works are featured in an array of settings including the homes of entertainers, company headquarters and public arenas.

His all-new tile line now makes his breathtaking art available on a smaller, more affordable scale. May his passion and eye for beauty inspire you!!
